Renz Carl Supnet

Software Developer

Rancho Cucamonga, California, United States

Summary

Javascript - Python - PC builder - Developer - Gamer

Experience

Philippine Military Academy

Information Technology Department Intern

January 2020 - March 2020 (3 months)

Baguio City, Cordillera Admin Region, Philippines

I helped the Internet and Computer Services Department as an Intern. I was responsible for assisting in troubleshooting various network or computer hardware issues. I was also responsible for software troubleshooting/installation which include the operating system, browsers, and others.

Office Depot

Sales Associate

July 2018 - December 2018 (6 months)

California, United States

I was responsible for engaging customers on the sale floor, answering key questions regarding printers, laptops, and other office products. Role was flexible depending on business needs, whether it be being a cashier, stocker, or sales.

Sears

Consumer Electronics Sales Associate

November 2015 - April 2016 (6 months)

California, United States

As my first job, I was responsible for highlighting key strengths of consumer electronics such as televisions, sound bars and blu-ray players.
